SR Market trend in China

TAIYO HOLDINGS CO., LTD.

Progress of Strategies

Strategy for Chinese market

- Converted some customers from the competitors by the lowpriced products.
- Market share was slightly increased in FY11/12. some target customers are evaluating our products. Increase in share is expected in and after FY12/13.
- Increase in sales force helps provide better services to our customers.

Strategy for "Local production for Local consumption"

- The earthquake in Japan accelerated production transfer from Japan to overseas subsidiaries.
- The local supply rate of the raw materials increased in subsidiaries.(about 50% in FY11/12)
- Will promote to export raw materials to Japan, taking advantage of the stronger yen.

Strategy for new products development

- Sales of new products in FY11/12 was JPY 2.5 billion. (Sales target was JPY 2.4 billion for FY11/12.)
- Sales of white SR, black SR, silver paste for through holes were increased.
- Sales target for the final year of the Business Plan (FY12/13) is JPY 3.8 billion.

Strategy for Global talent management

- Will promote local employees to managers and executives at local subsidiaries.
- Will promote highly qualified local talent to Board members for Taiyo Holdings.
